& SERVICIES INC**

Respected Customer.

Maquila Manufacturing is a Mexican company based in Matamoros Tamaulipas, focused on the manufacture of transformers, reworks and other functions related to the manufacturing of these types of assemblies.

Our main function is to provide the best products and services to the industry of its kind, as well as injecting our philosophy of continuous improvement in all aspects of the company.

We are dedicated to manufacturing, assembling and producing products that guarantee the satisfaction of our customers through good service, high quality and highly competitive prices.

Currently, Maquila Manufacturing has more than 22 years of experience manufacturing various types of power, audio, and inductor transformers. Other items we produce include toroids, leads assemblies, and PC board assemblies.

Maquila Manufacturing aims to attract the attention of new customers, manufacture new products, and satisfy the needs of both our current and future customers. Our goal is to become a friendly, reliable and permanent supplier.

Thank You.
